# KEEP YOUR HEART AND KIDNEYS HEALTHY

Kidneys are special in a way  
They are, so they have their own day.

Excreting waste  
So we can live in peace,  
Kidneys are there for us  
So let's not forget them on a school bus.

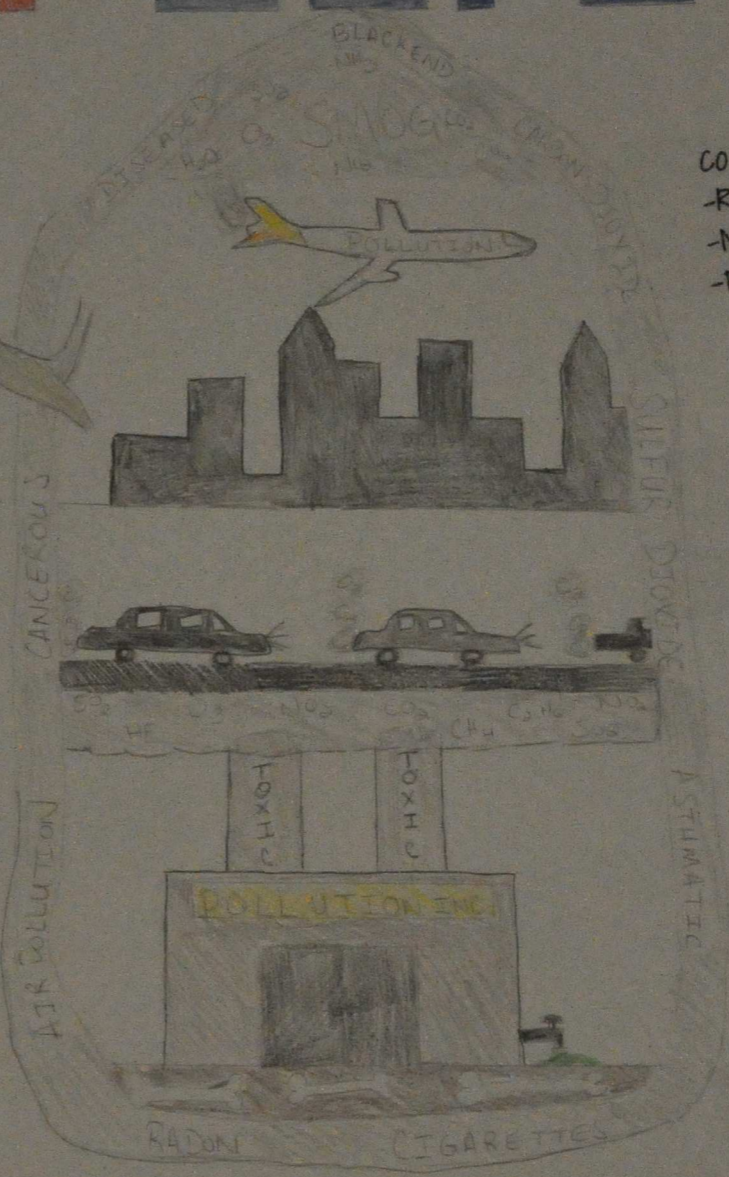

Kidney failure is a killer  
But anyone can get it because it not only for illers.  
So we should raise awareness  
And this is promoting greatness  
So no one can suffer,  
Not even those who are rougher.
